

## **AFRICAN CONNECTION SERIES PARTICIPANTS**

**I have chosen the following participants for the series. They range in age from 22 – 55 years and are from a variety of countries in Africa. I pay these people for the photos and videos that they send me. The photos are used as reference for the paintings. I am collecting both the photos and the videos for use in a future exhibition. The exhibition will be telling stories of their lives in Africa today.**
